**CHILDCARE SAFETY MIRRORS**

These convex mirrors are made from quality materials and are designed to withstand harsh conditions, making them ideal for child observation in classrooms, playgrounds and washrooms. Easily check on every child's well being in hard to see areas that may be obstructed by trees, fences, buildings, walls or partitions.

- Economy models can be adjusted to any angle.
- Half domes will give you a 180° view of the room.
- Outdoor models are ideal for playgrounds and are available with an acrylic or unbreakable stainless steel mirror.
